Delegate Attributes to perform management functions in PRODA

Do this AFTER adding registering your organisation in PRODA.

In order for a Member to perform certain management functions in PRODA on behalf of the organisation, they must be delegated the appropriate management attribute.

The **Employee-Management** attribute enables the delegate to add or remove Members on behalf of the organisation in PRODA.

8. On the *Organisation Details* page, scroll and click "Members", then click the name of the member you wish to delegate to.

9. On the *Member Details* page, scroll and click “Attribute Delegations”, then select the “Delegate to this Member”.

10. Select “Employee-Management” or the relevant attribute you wish to delegate to this member, then select “Delegate”.
 - To allow the member to re-delegate the attribute to other Members, select the ‘Y’ under Delegable.
 - You can change the delegation ‘To Date’ to a period other than the maximum 12 months.

The form includes a "Member" dropdown, a "Delegation" list with radio buttons for various attributes (e.g., CCBOS, CCCS, CHPROF, CNRS, PRODA), a "Delegable" radio button set (Y/N), and a "To Date" date picker. The "Delegate" button at the bottom is circled in red.

11. A confirmation will appear on screen with the added Attribute listed under "Attribute Delegation" on the on the *Member Details* page.

The member can now perform the related management functions on behalf of the organisation in PRODA.
