

## Provider Digital Access (PRODA) for Authentication with DVA – Register an Organisation and Link to DVA Online Services

---

### Register an Organisation within PRODA

**Do this AFTER registering your individual PRODA account.**

Only one person needs to register the organisation in PRODA, for each organisation. The person must be listed as an Associate or Authorised Contact for the organisation on the Australian Business Register (ABR).

After that, all personnel in your organisation with an individual PRODA account can be added to the organisation and delegated an attribute to perform management functions.

- You will need their individual PRODA account Registered Authority (RA) number and surname.
  - Refer to the “Add personnel to an organisation in PRODA” guide.
1. To register an organisation in PRODA, go to **servicesaustralia.gov.au/proda** – from the side menu select “How to register an Organisation in PRODA”
    - Ensure the organisation details recorded on the ABR are correct and current and your individual PRODA account name exactly matches to a listed Associate or Authorised Contact.
    - You must answer 3 proof of record ownership (PORO) questions. These questions are based on non-public information recorded on the ABR for the organisation.
  2. Go to: <https://proda.servicesaustralia.gov.au>

3. Enter your login details and click "Login".
